Chief Clerk of the House

SUBJECT: **SB 3129 - HB 3041**

This bill, if enacted, will allow persons who marry or accept employment to remain eligible for TennCare unless they automatically receive insurance coverage on the date of marriage or employment.

The fiscal impact of this bill is estimated to increase state expenditures for TennCare. The amount of the increase cannot be determined but is estimated to exceed \$100,000 in the long run for capitation fees paid for persons who would otherwise not be eligible for TennCare coverage.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
